

# Putting your funds to good use

Over 95% funded by the public & companies.

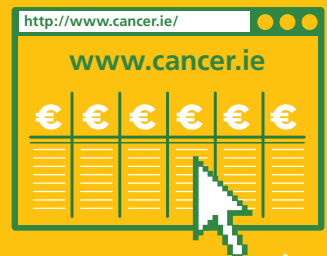

78c of every euro donated is spent on reducing the risk of getting cancer and improving the lives of those who have cancer.

## FUNDRAISING

# €20m

We raise €20 million every year from donations and fundraising. This money goes to work in three key areas; our free-nationwide information, support and care services; cancer research; and advocacy.

Our full accounts can be seen on our website [www.cancer.ie](http://www.cancer.ie).

# Your donation makes a difference
